FOR GROWN-UPS / PRINTING OPTIONAL

3 little ways to play together

A free mini activity pack for ages 2-3.

Keep it playful. Your child can point, gesture or use any language. Repeat a favourite, offer help or stop whenever they choose.

1

Look & point — page 1

Read the sock question aloud and pause. Help by pointing when needed. After the reveal, try hiding a real sock together.

2

Make marks — page 2

Print the cloud page or draw a cloud on plain paper. Offer an age-appropriate crayon. There is no pattern to trace or rain to copy.

3

Move together — page 3

You can read this card on a phone. Start with a wave, let your child lead, then copy them. Keep the activity comfortable and voluntary.

SOCK REVEAL

The sock is peeking out on the right of the cushion. Show this whole sock after your child has had a turn.
