FOR GROWN-UPS / GUIDE & ANSWERS

3 little ways to think & play

A free mini activity pack for ages 4–5.

Read the prompts aloud. Pointing, drawing and talking all count. Offer help, repeat a favourite or stop when your child chooses.

1 Umbrella shop — page 1

Umbrellas 1 and 5 match: both have the same wavy line.

For the extra clue, umbrella 2 has three spots. Ask what your child noticed.

2 Pattern train — page 2

The missing shapes are a circle, then a triangle. The square is not part of this pattern.

Any consistent repeating pattern works for the extra play.

3 Squiggle adventure — page 3

There is no fixed answer. Ask, “Tell me about your picture.” Write your child’s words on the lines only if they would like you to.
